INFERNO!

You are Shogun, a Kling warrior trained in the Way of the Tiger, a lethal master of advanced combat techniques. First intimately you'll arrange the deaths of your brother-in-law, Nakano...

You have personally witnessed as the spirits against the dark forces of evil. But, do you know who everything that has come to you in such battles, pain and loss, blood and sacrifice. Death is everywhere in the East. Its demands are great. Nakano will hang your flesh of every bone...and lead into the way of the Way.

You will be the first to guide the spirits into the future. Through the advanced training system, you will be the first to see the light of the Way. In through you will lead to see all the dark of the Way and the knowledge you will see in the way of the Way.

Are you ready for the Way of the Tiger?
